Mr. Weisberg,

Enclosed is the six-fifty needed to purchase Photographic Whitewash, your book containing pictures of the JFK assassination. Along with this book, I wonder if you could clear up a rumor that has developed over the past few years about the famous Zapruder Film? Is it a fact that the FBI changed the order of some of the frames of film so that it appears that JFK is falling back into the seat instead of forward? Also how many films have still been classified?

If you could set me and a few of my contemporaries straight on this we would be grateful. If I can be of any help on any matter please do not hesitate to call. My address at home is 1201 Sandelin Ave. San Leandro California 94577, phone 415-357-8912. I will be at this address after 3 May 1975.

Thank you,

Craig L. Bettencourt
